Believe, Achieve and Succeed Together

6th February 2019

Dear Parent,

Thank you for your generosity today

Your donations for Traditional Games have raised £91.50
which will be matched by FoSFS to give a total of

£183

A gift will be bought for Charlie and the balance donated to the British Heart Foundation

Thank you to the parents who are using the Parklands entrance at the start and end of the day to help ease traffic congestion on the school car park. We hope more parents will consider using this option.

As part of school life we encourage children to build their resilience and independence, particularly in Classes 2 and 3. Areas we would expect them to be prepared for/remember what is needed, include swimming, class trips, school meals, spellings and learning logs.

- Children often ask for a school lunch and then at lunchtime realise they have sandwiches.
If a school lunch is booked by mistake it has to be paid for.
- We regularly have children going on class trips who have not brought the required packed lunch.
- Each week there are children who forget their swimming kit.

We understand parents are very busy and this is one of the reasons we encourage children to remember/plan for themselves so hope this is something you will support us with.

Mrs. Le Petit (Chair of Governors/parent) will be organising a running club at school on Monday and Thursday lunchtimes for Classes 2 and 3.

This may be of particular interest to those taking part in the Cross Country in Carmarthen on 4th March.

If it rains children will do circuits in the hall.

Class 1 may join the group after Easter if they wish.

If your child is interested please return the slip below.
They will need to bring their PE kit for each session.

Yours faithfully,

Mrs. J. Davies
