Believe, Achieve and Succeed Together

Dear Parent,

As part of our enrichment please encourage your child to talk about their day at school. Please help us help your child become independent, responsible and resilient learners.

Thank you to the volunteers who help us with enrichment activities. Please let us know if you can help. This has been really appreciated and the children are hugely benefitting from their experiences. Please follow us on Twitter.

Attendance

We have children who are regularly late. *Please note that school starts at 8.50am.* Children arriving after 9am are marked as late and children arriving after 9.20am are marked as unauthorised – both marks have an impact on overall attendance. If your child is late please escort them to the main door where you will be asked to complete a late explanation form which we have to keep to validate the register.

Sickness

If children are unwell please do not send them to school. If your child is absent as a result of sickness or diarrhoea they must not return to school until 48 hours after the last bout of illness to avoid germs being spread.

Healthy Schools

Children are encouraged to bring a water bottle to school each day which they can refill as they need. The bottle should be taken home each day for cleaning. A healthy snack (fruit) is encouraged for break time. Please involve your child in choosing healthy options for packed lunches.

Parent's/Open Evening

- Class 1 has an Open Evening on Tuesday 20th November – no appointment necessary but if you wish to have a 1:1 meeting with Mrs. Jenkins please arrange this with her.
- Class 2 - Tuesday 20th November - appointment sheet on class door
