**Believe, Achieve and Succeed Together**

Dear Parent,

In line with new General Data Protection Regulations (GDPR) we need to advise you of the following:

**Privacy Notice:**

What the School, Local Authority and Welsh Assembly Government does with information it holds on Pupils

This Privacy Notice provides information about the collection and processing of pupils' personal and performance information by the Welsh Assembly Government, Pembrokeshire County Council Local Authority (LA) and St. Florence VC Church in Wales School.

**The collection & processing of personal information**

The school collects information about pupils and their parents or legal guardians when they enrol at the school. The school also collects information at other key times during the school year.

Information is also received from other schools when pupils transfer.

Any personal or sensitive information you share with us will be used to provide you with services and any statutory duties that the council is required to fulfil.

The Processing of your data is necessary for the performance of a task carried out in the **public interest** or in the exercise of official authority vested in the local Education authority as the data controller.

We use this personal data to:

- support our pupils' learning
- monitor and report on their progress
- provide appropriate pastoral care; and
- assess the quality of our services
- School website
- Twitter
- Local press

### **The sharing of personal information:**

#### **Welsh Government (WG) & Local Authority (LA)**

Our school has a legal duty to share certain information about pupils with the Welsh Assembly Government as part of what is called the Pupil Level Annual Schools Census (PLASC).

The Welsh Assembly Government uses this personal information for research (carried out in such a way that ensures individual pupils cannot be identified) and for statistical purposes, to inform, influence and improve education policy and to monitor the performance of the education service as a whole.

Examples of the sort of statistics produced can be viewed [www.wales.gov.uk/statistics](http://www.wales.gov.uk/statistics)

The LA also uses the personal information collected via PLASC to do research. It uses the results of this research to:

- make decisions on policy and the funding of schools,
- calculate the performance of schools and help them to set targets.

The research is carried out in such a way that ensures individual pupils cannot be identified.

In addition WG and the LA receive information regarding National Curriculum assessment and public examination results and attendance data at pupil level.

#### **Organisations who may share personal information**

Information held by the School, LA and the Welsh Government on pupils, their parents or legal guardians may also be shared with other organisations when necessary.

For example, if the sharing of information would protect a child's safety or if the sharing is strongly in a child's best interest.

We will not give information about our pupils to anyone without your consent unless the law allows us to do so.

We may need to share your child's personal information within education e.g. catering and other services.

Sharing your information forms part of Welsh Government's Youth Engagement and Progression Framework, a process designed to support your child's learning and help them progress into further education, employment or training.

We will only share the minimum amount of information necessary and only with those partners that need it.

Details of these organisations can be found on the following website

[www.pembrokeshire.gov.uk](http://www.pembrokeshire.gov.uk)

### **Your Rights & Accessing Personal information held about your child**

Pupils have certain rights under the General Data Protection Regulation 2018, including the **right of access:**

To be given access to personal data held about them.

The presumption is that by the age of 12 a child has sufficient maturity to understand their rights and to make an access request themselves if they wish or, to give consent for a parent or guardian to act on their behalf.

A parent or guardian would normally be expected to make a request on a child's behalf if the child is younger than 12 years of age.

**The right to rectification:** you have the right to ask to have your information corrected.

**The right to restrict processing may apply:** you may request that we stop processing your personal data in relation to any council service. This may delay or prevent us delivering a service to you.

We will seek to comply with your request but may be required to hold or process information to comply with our legal duties.
