We hope you have had a lovely Christmas break

As you are aware, Pembrokeshire schools will be open to full-time pupils requiring emergency childcare between Wednesday 6th and Friday 8th January.

There will be no breakfast or after school clubs on these dates.

*If you meet the criteria for such provision and have no other alternative but to send your child to school, please let us know by replying to this email by 4pm today so we know which children to expect and can plan work/staff/school meals accordingly.*

At present, it is expected all children will return to school on Monday 11th January but if this should change, we will, of course, keep you informed.

A letter will be sent out this afternoon giving details of online learning.
