Believe, Achieve and Succeed Together

14 October 2020

Dear Parent,

Thank you to those parents who made a great effort this morning to wear masks on school grounds. Your support during these challenging times has been tremendous.

Unfortunately, it looks like there may be more difficult times ahead so we are preparing for all eventualities and would like to make you aware of the following:

IF we are notified of a positive case

- Track and trace will inform those who have been in close contact
- Our school staff will advise if your child is not to attend school (via email, phone call or twitter)
- The Governing Body will decide whether classes or the whole school are to close (this will be on the advice and guidance of Pembrokeshire County Council, Public Health Wales and NHS)
- In the event of closure pupils will be provided with learning books and online work as during the lockdown

Of course, we hope we never have to implement these procedures but want to share them with you so we can all be prepared.

Yours sincerely,

Mrs J Davies
Head Teacher
