Believe, Achieve and Succeed Together

21 September 2020

Dear Parent,

Your continued support with the staggered school times is appreciated. However, we need to remind you that for the safety of pupils, parents and staff there is a **one-way system that operates for traffic in the morning** (including breakfast club):

- Cars to approach from village side
- Park and drop off outside school gates
- Continue driving *past* school to leave –please do not turn or reverse vehicles to go past the unit back into the village.
  
- No dogs are allowed on school premises

#### Covid

All schools now have to complete a register of any staff or pupils who have been advised to self-isolate by their GP or NHS Helpline, or who are diagnosed with Covid. If this applies to your family, please let us know.

If, as a result of being told to self-isolate, a member of your family has a Covid test you should receive a text message with the result. Please share this message with us before your child returns to school so we can update their record.

#### Flu Vaccines

Please return forms by Wednesday – even if it is to say your child is not to have the vaccine. The school nurse will be collecting forms shortly so the appropriate number of vaccines can be ordered.

#### Music

Sadly, not enough children wish to take lessons with Mr Mends so he will not be coming into school this term. We will send out a letter again in November for any interested pupils.

Yours faithfully,

Mrs. J. A Davies  
Head Teacher
