**Believe, Achieve and Succeed Together**

10 December 2024

Dear Parents,

Governor's Report for Parents  
December 2024

Enclosed is our annual report.

*It is not a statutory requirement for Governors to arrange an annual meeting with parents, but you can request a formal meeting with the Governing Body. Details are attached for ease.*

Our pupils continue to thrive and achieve the high standards of learning and behaviour expected of them.

Staff are a small, but highly professional, team of practitioners who develop and maintain good relationships with pupils and parents, which is reflected in our school ethos of a warm, caring atmosphere in which children grow personally and academically.

As parents, you too are instrumental in the success of our school – thank you.  
We pride ourselves on our good relationships as well as our open-door policy.

The collaboration between ourselves and Penrhyn VC school continues to prove productive and successful with both sites benefitting from sharing good practice and utilising the strengths of staff across both sites.

We are sure you are aware of the constant and increasing pressures on the school's limited budget and there is no doubt that without the efforts of FoSFS (Friends of St Florence School) our children would not be as lucky as they are with the resources available.

One of the projects FoSFS funded this year is a new canopy for Class 1 creating an outdoor learning area that can be used year-round.

New members are always welcome to join FoSFS and you do not have to commit to definite times – just help as and when you can.

As always, we are here to help with any concerns or questions you may have and look forward to working with you to ensure our continued success.

Yours faithfully

Mr. R. Davies  
Chair of Governors
